

## **2017 Gold Dust Two Ball Dub's Dread Golf Course**

### **Procedures for play**

#### **Tees:**

All players will be required to play from the tees indicated through the GHIN system as their selected tee. You will be given the opportunity to move up or back one set of tees and receive an adjusted handicap based on the rating difference between the tees.

#### **Age requirements for adjusted tees:**

Men 55 years and old can play the gold tees

Men 75 years and older can play the red tees

Women will play the red tees

#### **Scoring:**

Please exchange scorecards with the team you are playing with. Only write the actual scores on the scorecards (DO NOT WRITE THE POINTS).

Please keep a separate scorecard if you would like to record the points.

Turn the scorecard in to the proshop at the end of your round. We will then convert the scores into the total points for the team. The converted scoresheet must be checked and signed by the team members to make it official. Once the sheet is signed the score is official.

Bogey	= 1 point
Par	= 2 points
Birdie	= 3 points
Eagle	= 6 points
Dbl Eagle	= 8 points
Hole in One	= 10 points

In the event of a 1<sup>st</sup> place tie we will play a 3 hole handicap match play between the two teams. This will be a total score handicap match play format to determine the winner.

#### **Playability:**

We will be playing the down throughout the course unless the conditions dictate a change.

We will be enforcing pace of play for the event. If any group falls more than one hole behind the group in front of them, a warning will be issued. If the group fails to make adequate pace adjustments we will issue a 1 stroke penalty per player to both teams in the group.
